

C6c

Smart Home Camera

Household protection made sharper than ever

Through the lens of the C6c 4K, every detail is brought to life in Ultra HD clarity from day to night, while its 360° coverage ensures no angle is left unchecked. It is your smart guardian that informs you of crucial activities and memorable moments. Easy to use in every way, all family members can enjoy its smooth interaction, including initiating a video call in front of the camera by posing victory sign or touching the physical button.

4K Resolution

Panoramic View

Smart Color Night Vision

AI-Powered Human Shape & Pet Detection

Two-Way Calling by Gesture Recognition

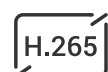

Privacy Shutter

Two Patrol Modes for Auto-Security

Supports Dual-Band Wi-Fi 6 (2.4 / 5 GHz)¹

H.265 Video Compression²

Smart Integration with Google Assistant & Amazon Alexa³

Supports MicroSD Card (Up to 512 GB) & EZVIZ CloudPlay Storage⁴

4K Ultra HD for every important detail

Get ready for an unparalleled leap in visual clarity with our upgraded C6c 4K. The enhanced lens delivers stunning 4K videos, ensuring no detail goes unnoticed. Whether you're keeping an eye on indoor spaces or reliving special moments, the C6c 4K brings clarity to a new level.

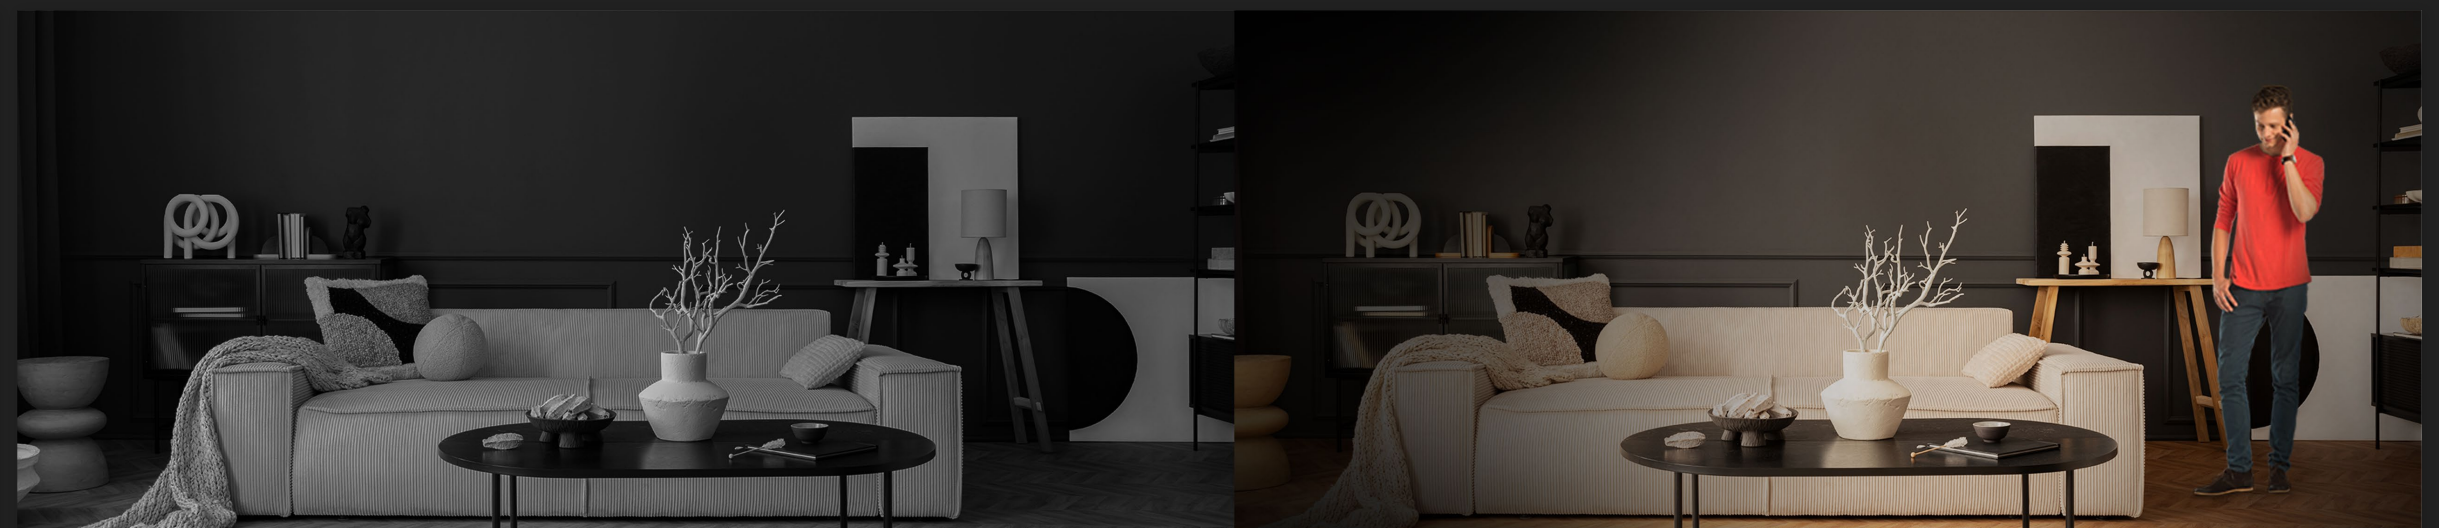

Guard the night in vivid colors

The C6c 4K paints the night with vibrant colors. Equipped with an F1.6 aperture and built-in spotlights, it renders colorful details even in low light conditions, and adds illumination in total darkness if needed. You can also opt for the unique smart mode for the camera to effortlessly switch between two night visions.

01 | Black-and-White Vision Mode

02 | Smart Color Night Vision Mode

See it all to feel securer

Expand your view with the C6c 4K for a 360° rotational coverage, so nothing easily escapes your sight, even if you live in a large space. You can now rest assured that every nook and cranny is secured.

Enhanced security with automated rotation

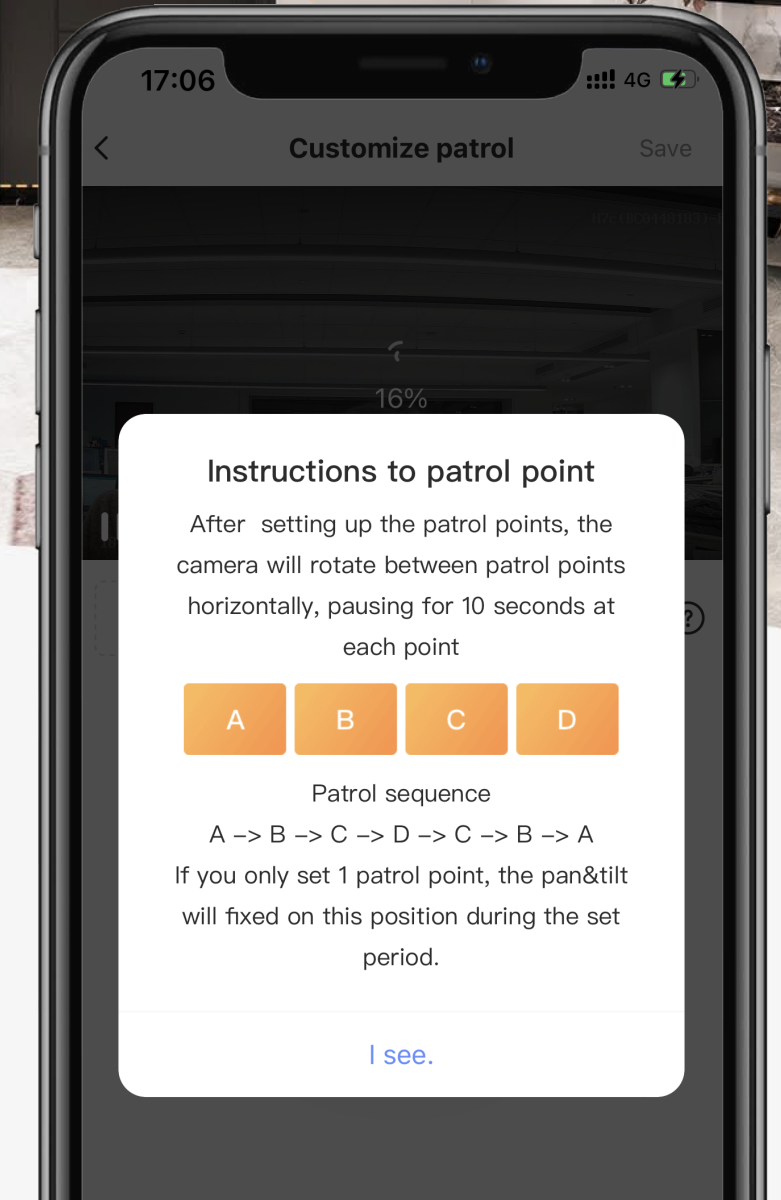

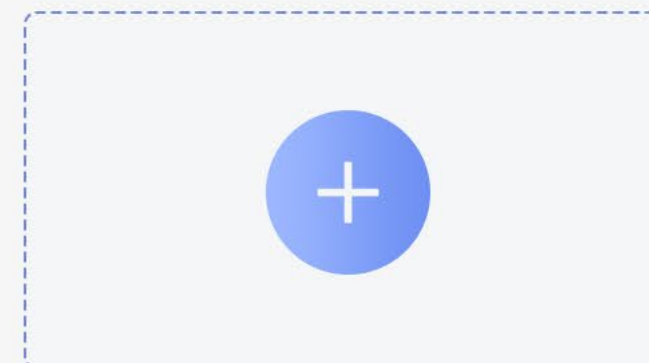

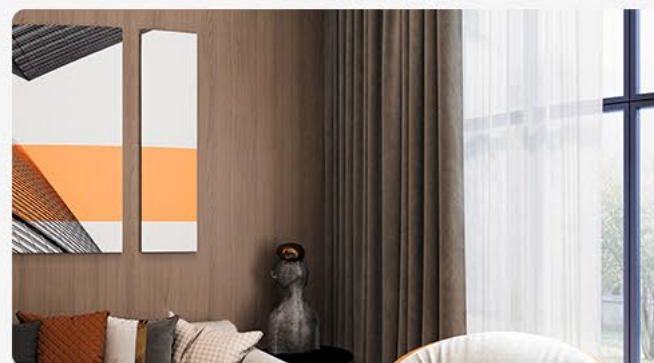

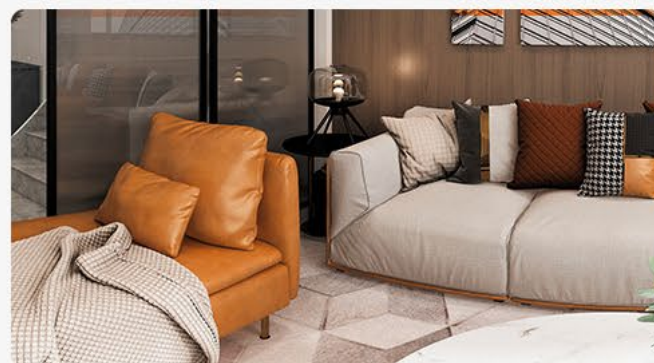

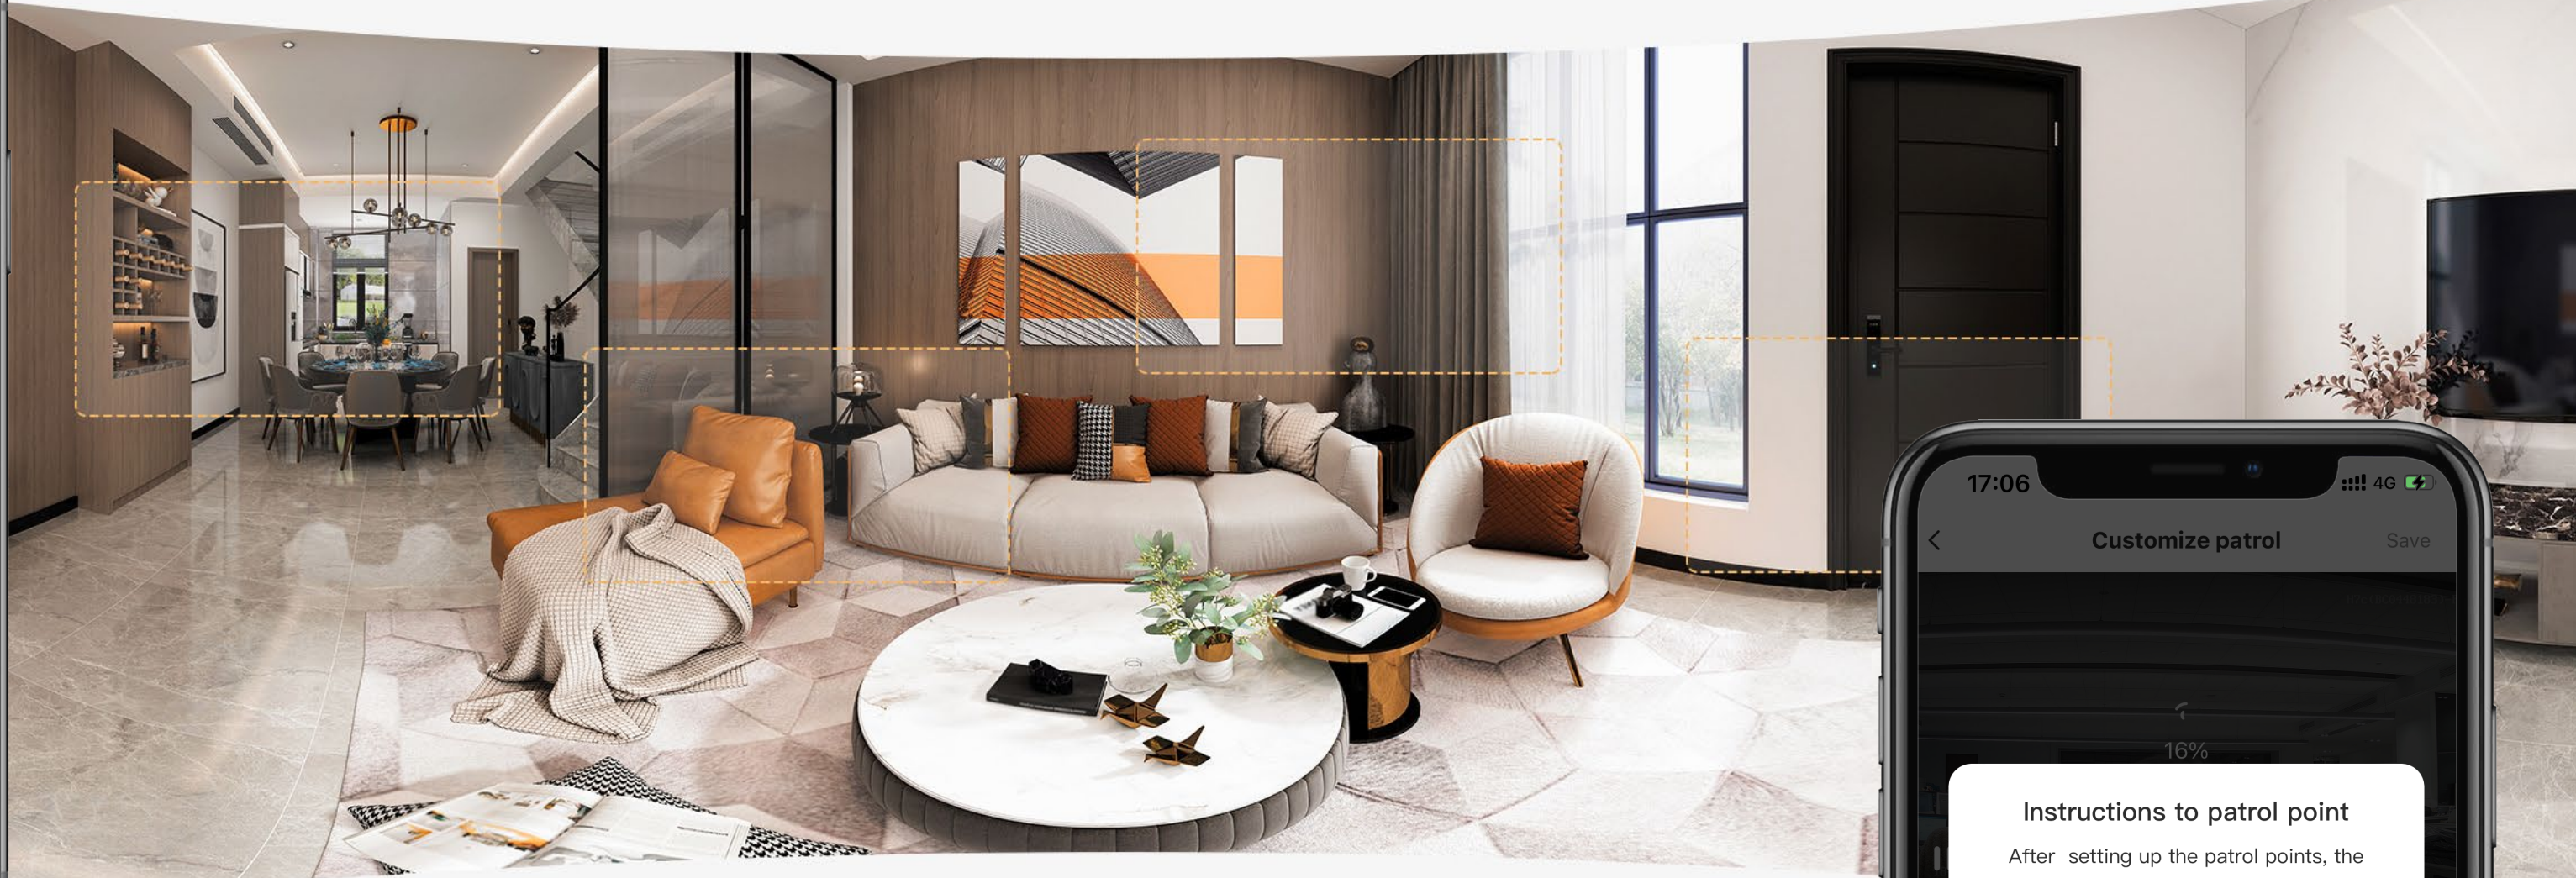

The C6c 4K pans and tilts automatically to eliminate blind spots with its unique patrol mode. You can even customize patrol patterns in accordance with your very special home.

Spin 360° horizontally

Follow pre-set 4 points

Smart detection without a subscription

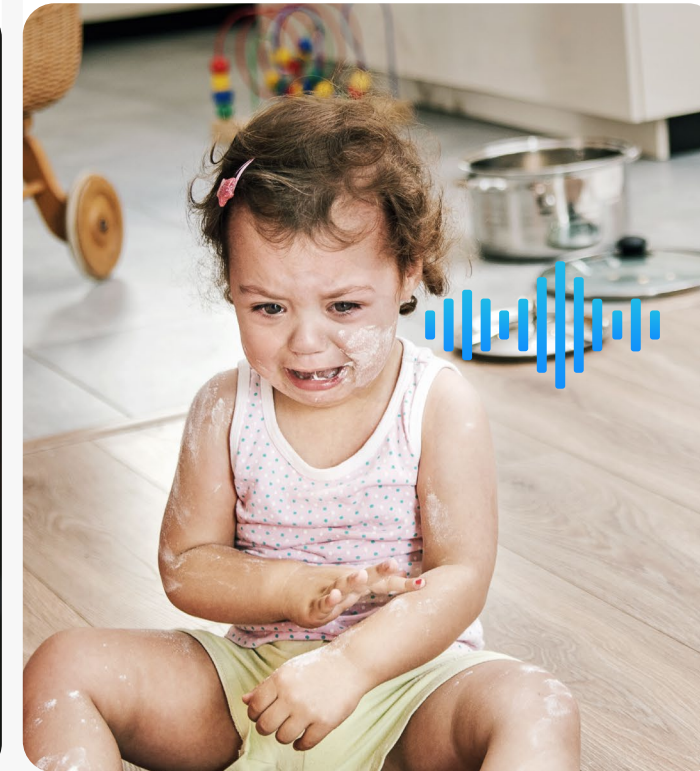

You don't need to pay a plan before the C6c 4K informs you about activities that truly matter in your home. The C6c 4K can distinguish people and pets from other insignificant objects, and capture a sudden sound level change in the area. You'll receive notifications when your family members appear in the detection zone, or your playful pets break a vase.

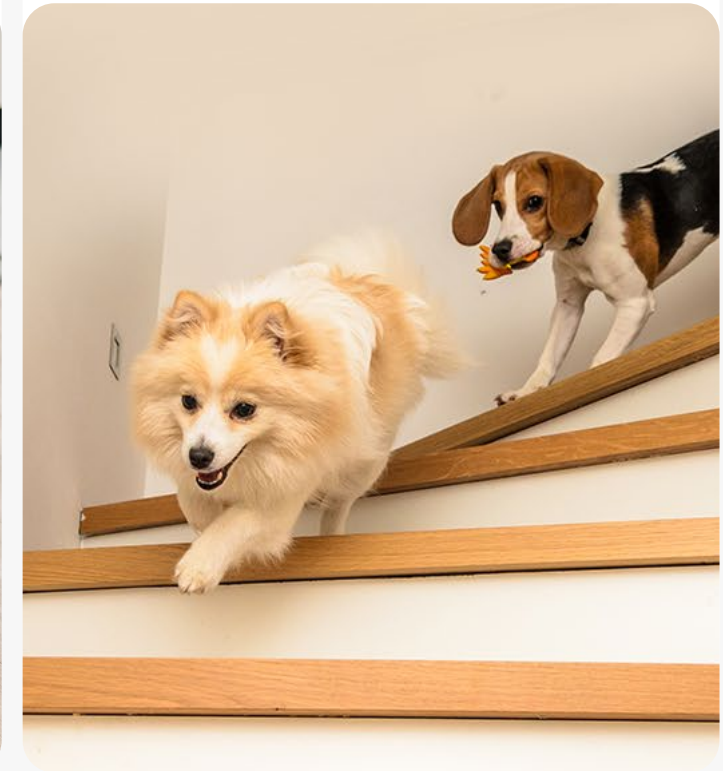

AI-Powered
Pet Detection

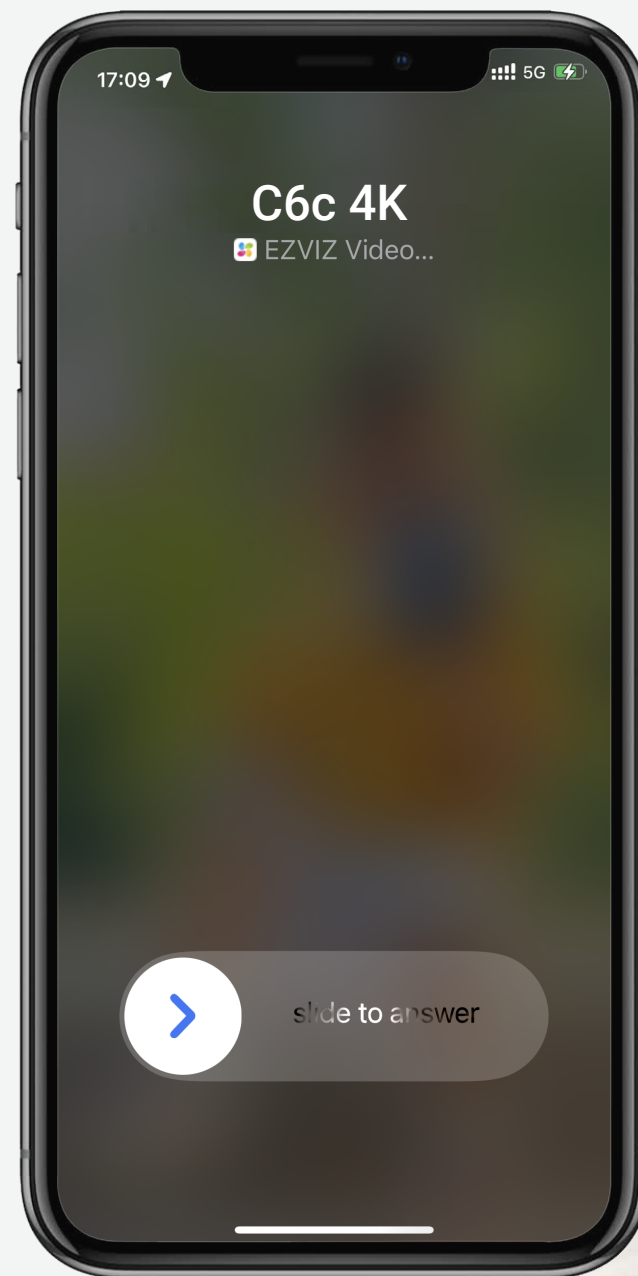

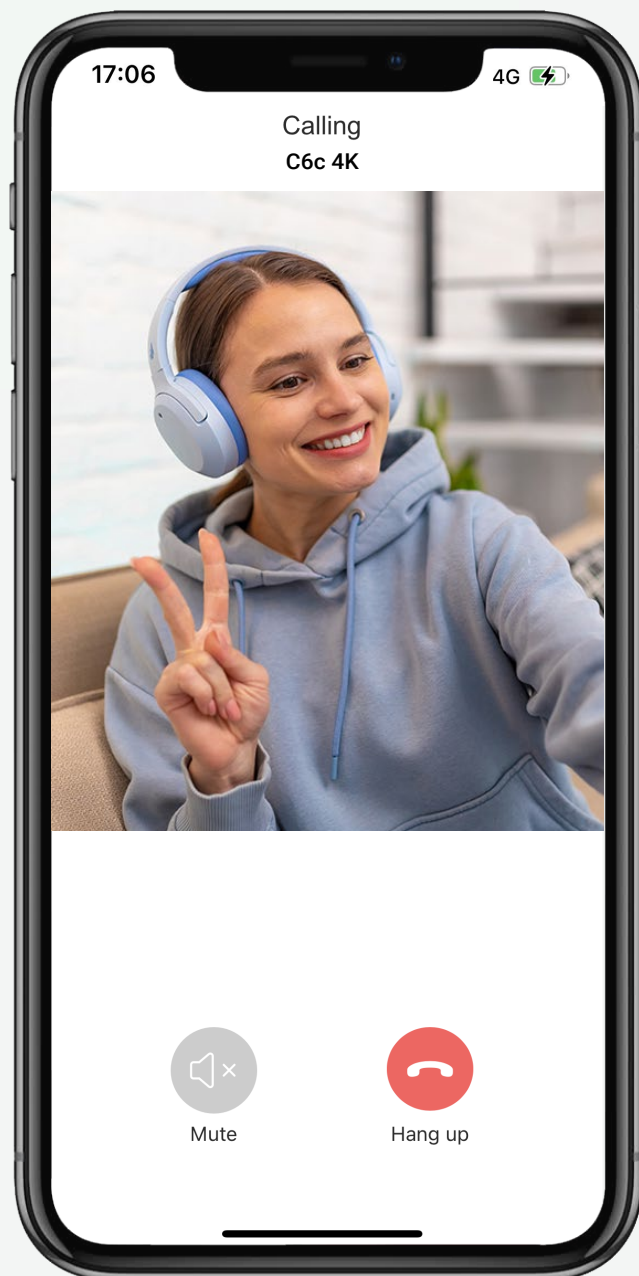

Smart enough to detect, zoom, and follow

The camera can automatically zoom in up to 4 times to follow a moving person so you see details and get the whole picture at the same time.

It makes it easy to stay in touch

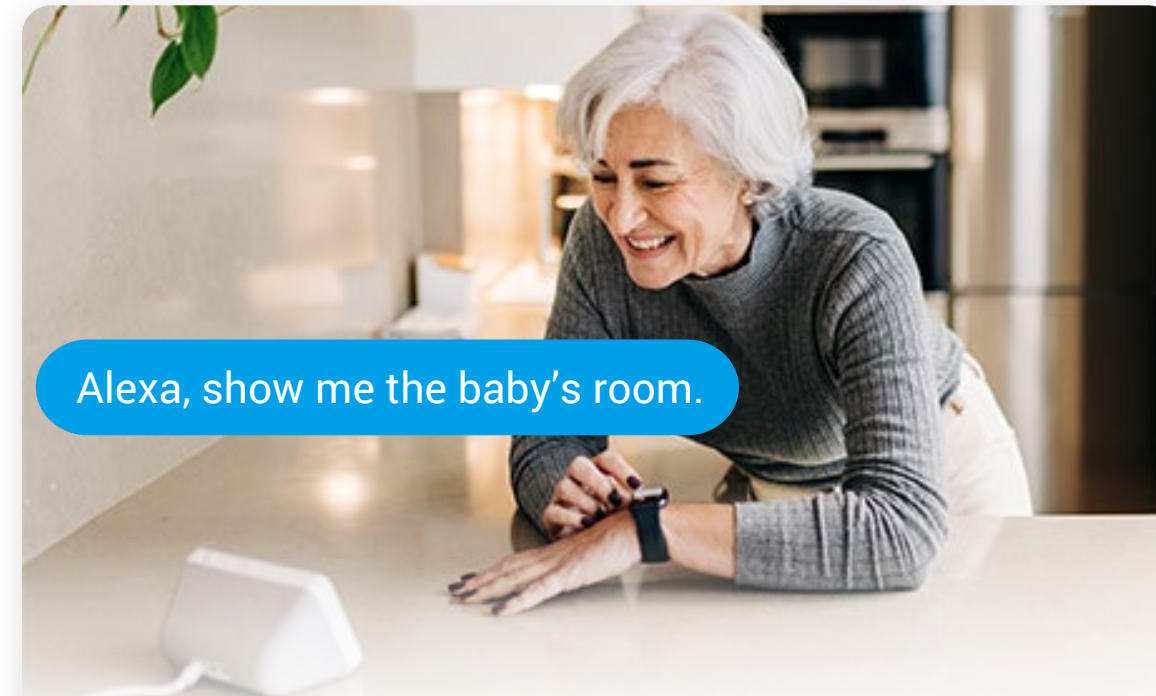

The C6c 4K uses thoughtful features to help your family stay closer to you. Non-tech-savvy parents or children can start a video call to your phone by simply posing a victory sign at the camera or touching the call button on the camera body.

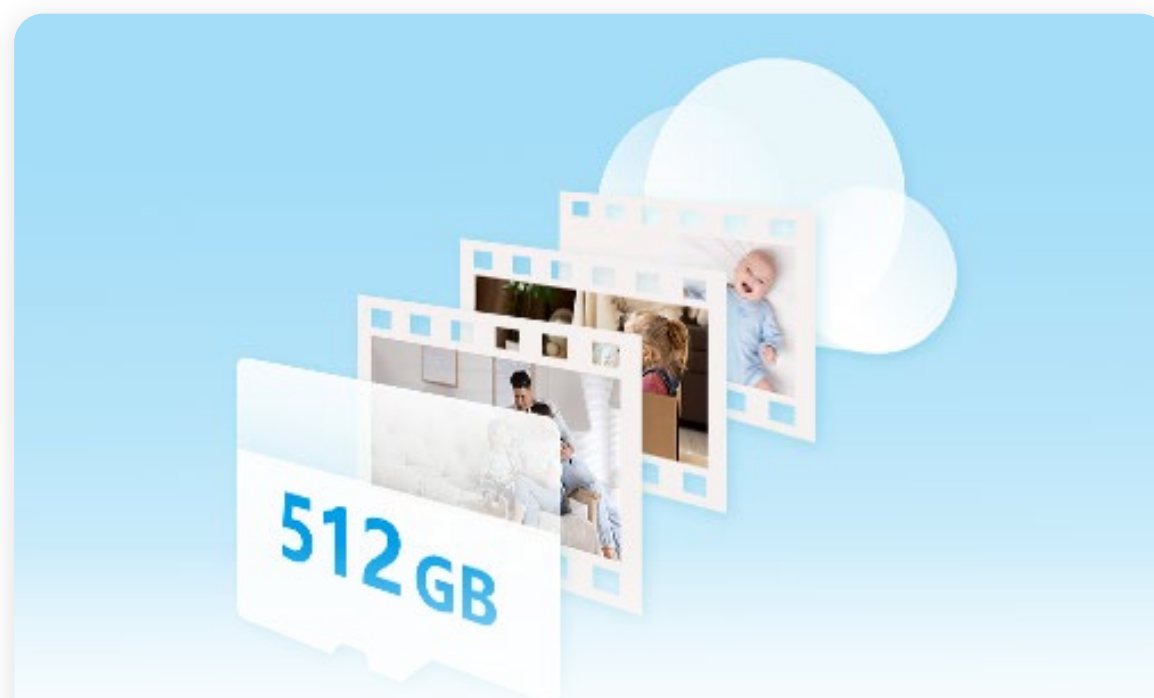

Reliable network, dual-band options

You can connect the camera either by cable or wirelessly, and choose between the 2.4 or 5 GHz¹ band to ensure a strong Wi-Fi signal.

Hands-free control

With integration to your voice assistants, you can pull up the video feed by simply saying “Alexa” or “Hey Google”.³

Dual video storage options

Capture and secure important moments or unforgettable memories on a large 512 GB microSD card, or by subscribing to the EZVIZ CloudPlay.⁴

H.265 video technology

The H.265 creates a smoother viewing experience while only using about 50% of the data storage space required by other cameras applying the H.264.²

We're committed to protecting with trust

We put security as the primary goal of every product and system that we build. We have also developed various privacy features and flexible settings that you can use at any time to feel even safer.

Our global certifications in the fields of **information security, privacy information security, and cloud security**

- 1 You will need to choose the Wi-Fi frequency band during the device setup process. Once the choice is made, you will not be able to change it to another frequency band.
- 2 Data from EZVIZ Lab’s test results under standard conditions. The video compression efficiency will vary with the frequency and complexity of the activity captured, as well as other environmental factors.
- 3 Google Assistant is not available in certain languages and countries.
- 4 The local storage card must be purchased separately. The cloud storage service is only available in certain markets. Please verify the availability before making a purchase.

Specifications

Model CS-C6c-R100-8G8WF

Camera

Image Sensor	1/2.7" Progressive Scan CMOS
Shutter Speed	Self-adaptive shutter
Lens	4mm@ F1.6, view angle:106° (Horizontal), 90° (Vertical), 48°(Diagonal)
PT Angle	Pan: 340°, Tilt: 130°
Minimum Illumination	0.51Lux @(F1.6, AGC ON) with IR
Lens Mount	M12
Day & Night	IR-cut filter with auto switch
DNR	3D DNR
WDR	True WDR
BLC	Supports
Night Vision	10m & Smart Color Night Vision 6m

Video & Audio

Max. Resolution	3840 × 2160
Frame Rate	Self-Adaptive during network transmission
Video Compression	H.265 / H.264
Video Bit Rate	HD; Standard. Adaptive bit rate.
Audio Bit Rate	Self-Adaptive
Max. Bitrate	4 Mbps

Network

Wi-Fi Standard	IEEE802.11a, IEEE802.11b, 802.11g, 802.11n, 802.11ac 802.11ax
Frequency Range	2.4 ~ 2.4835 GHz, 5.17~5.25 GHz, 5.735~5.835 GHz
Channel Bandwidth	Support 20MHz
Security	WPA-PSK/WPA2-PSK/ WPA3-Personal
Transmission Rate	11b: 11Mbps, 11g: 54Mbps, 11n: 72Mbps
Wi-Fi Pairing	AP pairing
Protocol	EZVIZ Cloud Proprietary Protocol
Interface Protocol	EZVIZ Cloud Proprietary Protocol
Wired Network	No

Function

Smart Alarm	AI-powered human shape detection
Customized Alert Area	Supports
Two-Way Talk	Supports (Two Mic)
General Function	Anti-Flicker, Dual-Stream, Heart Beat, Mirror Image, Password Protection, Watermark

Storage

Local Storage	Micro SD card slot (Max. 512G)
Cloud Storage	EZVIZ Cloud Storage

Specifications

Model CS-C6c-R100-8G8WF

General

Operating Conditions	-10°C to 45°C (14°F to 113 °F), Humidity 95% or less (non-condensing)
Power Supply	DC 5V/2A (Type-C)
Power Consumption	Max. 8W
Dimensions	100 × 100 × 96.5 mm
Packaging Dimensions	115.5 × 116 × 160 mm
Weight	Product: 290g With Package: 604g
